

## Sponsorship Packages

### Join us at the Inaugural NAPIC Conference – Visibility with Impact!

The National Alternative Protein Innovation Centre is a dynamic nexus of innovators working to leverage the UK's world-leading science and innovation strengths in alternative proteins. The Inaugural Conference will attract roughly 275 delegates from academia, industry, policy and investors to drive discussions and insights into the field.

We're inviting select sponsors to gain exceptional visibility and meaningful engagement with our vibrant community.

### Why Sponsor NAPIC Inaugural Conference?

- Direct access to top-tier professionals
- Premium brand visibility across physical and digital platforms
- Opportunities to network, speak, and hear of the latest opportunities and insights into the Alternative Protein field firsthand
- Filmed sponsor pitches circulated post event to all attendees
- Align your organization with innovation, leadership, and excellence
