

NAPIC Annual Conference 2026 Sponsorship

Technology and Innovation Centre (TIC)

University of Strathclyde

14-15th October 2026

About the conference:

- **Estimated 300-350 delegates including representatives from industry, research and policymakers**
- **Poster exhibition featuring the latest research in alternative proteins in food**
- **Keynote speakers from the alternative protein sector.**
- **Networking opportunities using a networking app**
- **Interactive workshops about key issues in sustainable food**
- **Alternative Protein Tasting & Cooking Demo**
- **Exhibition from Key Sponsors**

Who we want to attend:

- Major food manufacturers
- Brands associated with health and sustainability
- SMEs with novel food products
- Academic leaders in food analysis
- Scientists innovating in food
- Contract manufacturers in food and biotechnology
- People able to influence consumer perception of alternative proteins in food
- Early state researchers showcasing their research in posters

Why sponsor?

- **Direct access to top-tier professionals**
- **Premium brand visibility across physical and digital platforms**
- **Opportunities to network, speak, and hear of the latest opportunities and insights into the Alternative Protein field firsthand**
- **Filmed sponsor pitches circulated post event to all attendees**
- **Opportunity to sponsor and lead a workshop**
- **Align your organization with innovation, leadership, and excellence**
